Museum of Street Lighting

This Museum was established in 1975 as part of the programme of activities to celebrate the Golden Jubilee of Concrete Utilities.

We are indebted to all those who presented or loaned items to this collection which is now established as a place of reference for all those interested in the history of public lighting.

OUTDOOR SECTION

Inventory No.

1

- 127 Swan neck bracket with open reflector fitting
Presented by: MILNE MUSEUM, S.E.E.B.
By courtesy of: Mr. R.C. Gordon
- 112 Cast iron column with wide base, scrollwork and fluted shaft.
Presented by: LIVERPOOL CITY COUNCIL
By courtesy of: Mr. J.T. Cucksey, BSc, CEng, FICE, FIMunE, FIHE

2

- 113 Post top Revo Paisley lantern.
- 113 Cast iron column. One of 12 ornamental columns erected in 1937 round the new Fire Station, Police Station, Magistrates Court and Firemen's houses in Manchester Road, Accrington.
Presented by: HYNDBURN BOROUGH COUNCIL
By courtesy of: Mr. J. Hayden, CEng, AMCST, MIMunE, MICE, MStructE, MInstHE

3

- 114 Cast iron fluted column with double ladder arm, base compartment and swan neck bracket.
Presented by: DAVID WEBSTER LTD. (Ex Welwyn)

4

- 130 Square post top twin burner gas lantern
Presented by: S.E.E.B. MILNE MUSEUM
By courtesy of: Mr. R.C. Gordon
- 115 Cast iron column. Painted in its original "gas green" colour, it was manufactured by Hardy & Padmore Ltd. of Worcester in 1914 to take gas lanterns. Those in Swansea were converted to electricity in the late 1920's.
Presented by: SWANSEA CITY COUNCIL
By courtesy of: Mr. H.I. Jones, BSc, CEng, MICE, MIMunE

5

- 116 Open defractor lantern on swan neck bracket.
- 116 Cast iron column called "Bromsgrove" with double ladder arm. Cast by Stewarts & Lloyds shortly after the 1914-1918 war. They were installed about 1956.
Presented by: ST. ALBANS CITY COUNCIL
By courtesy of: Mr. J.W.B. McKenna, C.Eng. MIMunE, MIHE, Dip. TP

6

- 117 Open defractor lantern on swan neck bracket
- 117 Cast iron fluted column with double ladder arm cast by Stokes of Mansfield.
Presented by: ST. ALBANS CITY COUNCIL
By courtesy of: Mr. J.W.B. McKenna, C.Eng., MIMunE, MIHE, Dip. TP

7

- 118 Open reflector fitting on swan neck bracket.
- 118 Cast iron column complete with double ladder arm; The Blackpool town crest is cast in the door.
Presented by: BLACKPOOL BOROUGH COUNCIL
By courtesy of: Mr. A. Elliott, CEng, MIEE, FIES, FAPLE

- 88 Georgian post top square lantern c. 1900. Originally located at Baldwins Hill, where the original column shafts are still in use.
Presented by: EPPING FOREST DISTRICT COUNCIL
By courtesy of: Mr. J.T. Partington, MICE, MStructE, MRTPI, ARICS
- 119 Cast iron column based on the design of the Waterloo Cannons c. 1850. Several of these columns can be seen in the Cambridge Colleges. The stone buff colour is the colour in which it was originally painted, following an instruction issued by the Town Council in the early 1850's.
Presented by: CAMBRIDGE CITY COUNCIL
By courtesy of: Mr. G.C. Cresswell, BSc (Eng), CEng, FICE, FIMunE

9

- 87 Georgian post top gas lantern with ornamental corona.
Presented by: EPPING FOREST DISTRICT COUNCIL
By courtesy of: Mr. J.T. Partington, MICE, MStructE, MRTPI, ARICS
- 120 Cast iron column with double ladder arm.
Presented by: DAVID WEBSTER LTD.
- 234 Cylindrical post top lantern with copper top and base; note the spike to prevent gulls roosting.
Presented by: BLACKPOOL BOROUGH COUNCIL
By courtesy of: Mr. A. Elliott, CEng, MIEE, FIES, FAPLE
- 173 Cast iron column by M. Stears Bros. & Co. of Hull at the turn of the century and used in Workington until 1973.
Presented by: CUMBRIA COUNTY COUNCIL
By courtesy of: Mr. J.A. Davison, BSc, CEng, FICE, FIMunE, FIHE

11

- 122 Square post top gas lantern with frog and single ladder arm.
Presented by: BLACKPOOL BOROUGH COUNCIL
By courtesy of: Mr. A. Elliott, CEng, MIEE, FIES, FAPLE
- 174 Fluted cast iron column cast in 1892 by T.W. Williams & Sons of Swansea.
Presented by: SWANSEA CITY COUNCIL
By courtesy of: Mr. H.I. Jones, BSc, CEng, MICE, MIMunE

12

- 126 Metal swan neck bracket and open reflector fitting.
Presented by: S.E.E.B. MILNE MUSEUM
By courtesy of: Mr. R.C. Gordon
- 175 Cast iron column with double ladder arm made by Revo, Tipton.
Presented by: DAVID WEBSTER LTD.

13

- 66 Square post top gas lantern with frog and single ladder arm.
- 176 Iron column cast by W.J. Hollands, 31 Bankside, London. c. 1898. This column and lantern was probably situated in Vine Court Road off Holly Bush Lane, Sevenoaks. The lamps are indicated in the Council Records as 'Incandescent' and others as 'Flat-Flame' types.
Presented by: SEVENOAKS DISTRICT COUNCIL
By courtesy of: Mr. A.T. Bennett, CEng, MICE, FIMunE, FInstHE, MBIM

- 133 Square post top gas lantern with frog and single ladder arm.
- 177 Fluted cast iron column cast by W. Lucy & Co. Ltd., Oxford Eagle Iron Works. c. 1889.
The town crest is cast in the base.
